Fit to be Tan Expands *to new location*

Arlington, Virginia - April 9, 2009 - Fit to be Tan, Washington DC's first sunless-only tanning studio, is pleased to announce the opening of their new studio location in Arlington, VA.

Fit to be Tan will be relocating to 3260 Wilson Boulevard in Clarendon. Located just minutes from the Clarendon Metro Station and with ample free parking on-site, all tanning clients will be able to access the studio, easily. The new studio features two private tanning rooms, a small lounge for waiting customers and a comfortable reception area.

"We are very excited about this space; it provides easy access from the metro, off-street parking and comfortable tanning rooms for our clients," says Heather Loughridge, Owner of Fit to be Tan, Inc.

Started in 2007, Fit to be Tan's business has been servicing DC Area clients for the past several years. Recently the demand for air brush tanning has expanded rapidly and Fit to be Tan is expanding to meet this increasing demand.

Fit to be Tan will be co-located with Saffron Spas in Clarendon. Recently featured in a Washington Post Magazine article, Saffron Spa offers several unique services to clients (including Yoga, Massage and Belly Dancing). Fit to be Tan's services dovetail with Saffron's desire to promote healthy lifestyles.
